

"ANNIE OVER" . . . Tartar Jim Nady (No. 25) has to get up in the air to get a pass by Beverly Hills giant (No. 11) into the waiting arms of Jim Taylor (No. 24). The pass was successful, however, and Taylor sank the shot for the two needed points. (Herald photo).

### Beverly Hills Hands Tartars Their Third Bay League Defeat

A couple of whistle tooters from 'way back nearly blew their lungs out tabbing about 100 personal fouls in a pair of games here last Friday evening before the scorekeepers came up with the facts that the Tartar Bees had won a 37-32 game. While the Varsity dropped a 45-50 tilt to a brace of teams from Beverly Hills.

The Bee game took fouling honors as the refs blew the whistle for a total of 51 personal fouls. The varsity trailed with a mere 42. However, three of Coach Cliff Graybehl's varsity front liners—Chic Cope, Jack O'Caïn and Jim Nady—left the game via the foul route.

The varsity game was anybody's victory right up to the final gun. The Tartars led the Normans at the halftime 26 to 25.

**TALL, TALL, TALL**  
Main advantage of the Beverly Hills team was height. Three of the Norman hoopsters measured a conservative 6-foot, 5 inches—against some of the smaller Torrance men, they looked much, much taller.

The loss to Beverly was the third defeat in the League. They had previously lost to Santa Monica and Redondo Beach.

### Navy Training Center Grid Stock Goes Up

If the San Diego Naval Training Center has a football team, its grid prospects should have gone up at least 100 per cent during the past couple of weeks.

Recent additions to the roster at the base include Dale Atkeson, of 24123 Alliene avenue; Dick Riehart, of 1811 Gramercy avenue; Dick Oefinger, of 2020 1/2 Arlington avenue; and Charles Henry, of Atkeson former Narbonne grid great, was all-city in 1948. The other three hail from Torrance High. Riehart, a winner of the Riehart Trophy, was captain of the 1948 Bee squad. Oefinger, who was a first string varsity at El Camino this year, was second string choice on the 1948 All-Bay team. Henry was a halfback on the 1948 Tartar varsity.

With talent like that plus other El Camino varsity griders who signed up at the same time, the base should have a good team.

### Gauchos Drop Close One In City Tourney

Narbonne's Gauchos weathered one storm in the city-wide basketball tournament, but University High proved too much for the Lomita lads.

Meeting Uni-Hi in the second round of the city tournament at Hollywood High, the Gauchos went down 37-39 to end their tournament chances.

In another game in the tourney, the Jefferson Democrats blasted about every record out of the books the same day when they race-horsed to a 92-27 win over Roosevelt. Center J. C. Gipson, a 6-foot, 7-inch casabian for the Democrats, shattered scoring records with a 41-point total for the day.

### Redondo Eagles, Club Gunga Din Leading Adult Basketball Loops

Club Gunga Din and the Redondo Eagles emerged last week as the kings in their respective divisions in the City-County adult basketball league.

Leading League I with a 4-0 record before last night's games, the Gunga Din tribe from Hawthorne was pushed only by the Hawthorne Merchants\* with a 3-1 record.

In League II, the Redondo Eagles temporarily settled the matter between themselves and the Banner Drugs by nosing out a 1-point victory over the Lomita drug boys.

South Bay AC continued their drive with a 78-33 win over the Marines.

League standings as of January 10:

LEAGUE I	
Gunga Din	4 0
Hawthorne Merchants	3 1
Fenwick's Shoe Repair	2 2
Robertson's Insurance	2 2
Columbia Street	1 3
Harbor Hospital	0 4
Marines	0 4

  

LEAGUE II	
Redondo Eagles	4 0
Banner Drugs	3 1
South Bay AC	2 2
Teachers	2 2
Torrance Merchants	0 4
Marines	0 4

### Dietrich Still Leads Hoopsters

Averaging a neat 19 points per game in the four games played up to January 10, Martin Dietrich of the South Bay Athletic Club continued to lead the pack this week in the bucket department of the City-County basketball loop.

A total of 25 points credited to Dietrich in last week's game with the Marines didn't do any harm to his three game total of 51.

### City Loop Results For January 10th

The following results were posted last week following the Wednesday night play in the City-County basketball league. The game results were too late to be included in last Thursday's Herald.

In League I: Fenwick's Shoe Repair 44, Harbor Hospital 32, Gunga Din 86, Columbia Employes 47, Robertson's Insurance 46, Hawthorne Merchants 47.

In League II: South Bay AC 78, Marines 33, Redondo Eagles 34, Banner Drugs 33, Torrance Teachers 41, Torrance Merchants 40.

NO MECHANIC SHE . . . Listening to Walt Faulkner's car is lovely Loretta of Gardena's Colony Club. She doesn't profess to be a master mechanic, but she told mechanic Vincent Conze that the auto certainly sounded sweet. Faulkner will drive this Car Sunday in the big triple-A go at Carrell's Speedway.

### Speedway Braced for AAA Sprint Car Race Sunday

Carrell Speedway's big AAA Sprint Car Race Sunday afternoon, January 21, is rapidly becoming one of the most important to ever be run on the Gardena half-mile clay oval.

National AAA Big Car Champion Johnny Parsons has announced that he will drive in the epic meeting. The Champ will probably drive his own car. Parsons notched his mark in racing's Hall of Fame by winning the 500-mile Indianapolis Memorial Day Classic last year.

Facing Parsons will be several Indianapolis championship drivers including Troy Ruttman, Johnny McDowell, Andy Linden, Walt Faulkner and others.

Ruttman shocked the racing fraternity by breaking with his old boss Emmett Malloy to drive for Malloy's old rival, J. C. Agajanian, in the race. Malloy is dickering with Duane Carter, AAA Midwest Sprint Car Champ, to drive for him.

Walt Faulkner, San Diego's "Mighty Little Dynamo," who set the fastest qualifying time at Indianapolis last year, is also set to drive a fast car. Walt hopes to wheel the speedy Conze Special.

Roger Ward, the boy who favors the Ford engine over the Offenhauser—and proves it on the track—will again be behind a V8 when he drives Emil Dietrich's Ford V-8 Special in the big race.

A "stretched" midget, built up and souped up to Sprint Car limits by Herb Porter will be driven by veteran Johnny Tolan. This car set the fastest qualifying time at a recent sprint event in Clovis, California.

Special prizes will hold for the big race; general admission is \$1.25, reserved section \$1.80. Advanced reserved seats at \$2.50.

### Cees Win, Dees Lose to Beverly

Coach Rex Welch's midgets won and lost one last Friday when they invaded the Beverly Hills area for a pair of games. Bringing home a victory were the Cees, who downed the Beverly Hills Cees 26 to 15 in a game which saw the young Tartars leading all the way.

Receiving for a 28-19 loss were the Dees.

Bobby Moon paced the Cee victory with 10 points.
